

SINGLE-HUNG/ SINGLE-SLIDER WINDOWS

Built to be ultra airtight, our single-hung/single-slider windows are among the best in the industry. You will start saving the moment you buy them.

They open on the inside, so you can clean them from indoors.

WHAT YOUR HOME DESERVES

BE A SMART HOMEOWNER

Enjoy the **savings** from the highest performing windows in their category. Look forward to **years of trouble-free operation**. And **enhance your home's appearance** with the classic look of wood windows—without sacrificing the benefits of PVC!

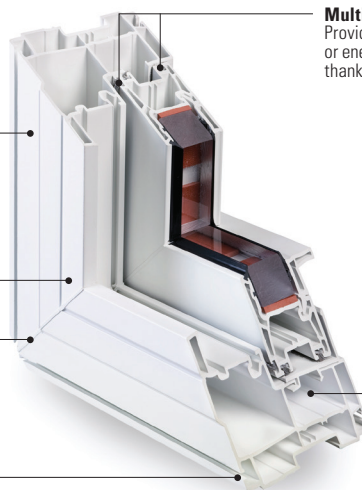

Exclusive PVC compound
Gives the window better resistance to impacts and discoloration.

Neat appearance and durability
Add value to any home.

Fusion-welded corners
Give a more attractive appearance, enhance solidity, and eliminate the need for adhesives and sealants. 100% watertight and airtight.

Optional integrated nailing fin
Guarantees a perfect fit and prevents water infiltration in the walls.

Multilayer weatherstripping
Provides the highest insulation. No drafts or energy loss. Easily replaceable if needed thanks to the groove.

Multichamber design
More chambers than any competing product. Provides superior thermal insulation and sound reduction. Guaranteed outstanding resistance to warping and crushing (minimizing the likelihood of seal failure and gas loss).

CONSERVATION

We're into Conservaction®!

Our windows not only offer unique and distinctive technical features—they're also all specially designed to save energy and preserve natural resources. Longer product life, and the best energy performance in the industry!

Performance

Tests performed by an independent laboratory according to P.H. Tech specifications.

	Size tested mm (in.)	Harmonized Standard AAMA / WDMA / CSA 101 / I.S.2 / A440-08
Single-hung window S-3775	1000 x 1600 (39 x 63)	R-PG45-H
Single-slider window S-3725	1600 x 1100 (63 x 43)	R-PG50-HS

SYSTEM WARRANTY

P.H. Tech Inc. provides a 20-year limited warranty on all residential PVC profiles. Manufacturer's warranty may offer coverage that is different than P.H. Tech's.
