WHAT YOUR HOME DESERVES

BE A SMART HOMEOWNER

Enjoy the savings from the highest performing windows in their category. Look forward to years of trouble-free operation. And enhance your home's appearance with the classic look of wood windows—without sacrificing the benefits of PVC!

Exclusive PVC compound
Gives the window better resistance to impacts and discoloration.

Neat appearance and durability
Add value to any home.

Fusion-welded corners
Give a more attractive appearance, enhance solidity, and eliminate the need for adhesives and sealants. 100% watertight and airtight.

Optional Nail Fin

Multilayer weatherstripping

Provides the highest insulation. No drafts or energy loss. Easily replaceable if needed thanks to the groove.

Multichamber design

More chambers than any competing product. Provides superior thermal insulation and sound reduction. Guaranteed outstanding resistance to warping and crushing (minimizing the likelihood of seal failure and gas loss).

PERFORMANCE

Tests performed by an independent laboratory according to P.H. Tech specifications.

Products	Dimensions mm (in.)	U.S standard AAMA / WDMA / CSA 301 / 15.2 / A440-08
